THE CODIFICATION GUIDE

The Codification Guide is published monthly on a cumulative basis. It lists titles, parts, and sections of the Code of *Federal Regulations* amended or otherwise affected by documents published in the *Federal Register* since January 1, 1964. Entries indicate the nature of changes effected. Proposed rules are listed at the end of appropriate titles.

Daily guides listing parts affected are carried following the Contents of each issue of the *Federal Register*, and within-the-month cumulations appear at the end of each issue.

A subject Index to the daily *Federal Register* is published separately, covering the contents of the *Federal Register* as follows: Monthly for the months of January, February, April, May, July, August, October, November, and December; quarterly for the quarters ending in March, June, and September; and annually for the calendar year.
